

Education

California State University, Chico
Communication Design (BFA) Fall 2022

Job Experience

CSU Chico Associated Students - *Graphic Design Lead*

January 2022 - December 2022 | Chico, CA

Graphic Design Lead for the Graphic Design and Marketing team at CSU Chico Associated Students. I managed a team of designers and designed for the full scope of Associated Student departments. I was involved in all aspects of the production pipeline; taking requests, assigning projects to other designers, and delivering completed print and digital designs.

Camp Tawonga - *Counselor & Arts and Crafts Specialist*

Summer 2019, Summer 2021, Summer 2022 | Groveland, CA

I worked at Camp Tawonga in 2019 for the Summer Program and have worked summers ever since. In 2019 and 2021 I worked as a counselor, and in 2022 I transitioned to Arts and Crafts Specialist. As a counselor I created activities, provided structure for the campers, and facilitated their journey at camp. As an Arts and Crafts Specialist I helped campers and staff pursue creative projects and expanded upon my leadership skills by leading blocks and collaborating with all areas of specialty at camp.

Lisa Hilgers Design - *Design Assistant*

January 2019 - December 2021 | Fairfax, CA

I started with Photoshop work (silhouetting, touching up photos, etc.) then moved to editorial work. Later I began designing spreads for our two main magazine clients, Marin Magazine and Chicago Magazine. I also did logo design and made a number of assets for apartment signage and branding across California.

Bay Area Sound - *Sound Designer*

September 2015 - August 2017 | San Anselmo, CA

I started working for Bay Area Sound while in high school. I was originally on the dialogue editing team for video games but shifted my focus to designing SFX for an app called Detour, a smartphone guided walking tour app that combines historical facts with immersive soundscapes. During my time at the company I became a team lead, and collaborated with other sound designers and composers for a variety of projects both locally and internationally.
